## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 21-48 are allowed.
2. The following is an examiner's statement of reasons for allowance: Reasons for allowance has been indicated on Office action dated (4/09/07).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Information Disclosure Statement***

3. The information disclosure statement filed 7/12/07 fails to comply with 37 CFR 1.98(a)(2), which requires a legible copy of each cited foreign patent document; each non-patent literature publication or that portion which caused it to be listed; and all other information or that portion which caused it to be listed. It has been placed in the application file, but the information referred to therein has not been considered.
4. In addition, each page of the IDS should comprise its own heading. Page 2 and 3 of the IDS filed on 7/12/07 thus is determined not to be in compliance with 37 CFR 1.97 and 1.98.
